Sell them if must.

Humans betray and
sell even their own
family. It would be even
easier if it were strangers.

At end of a steep cliff,

the sea welcomes thee.

★작품소개★

전쟁이에요, '고꾸'라는 종족을 그칠 건 못하니까. 억압된 억압받는
거대이끼나 나무 지파네요, 그래도 억지까지 슬퍼하곤 제의 식물에게
잘 고꾸는 마음에 듭니다. 고꾸와 고꾸라는 종족-- 정말 잘 어울려요.

Sacrifice

Cut down off.

"That is the rule of this village."

"Lee is the last name."

Of course.
I am your sister
after all.

I know of only
one sister,

And she ...

She was sacrificed
at the cliff?

You...

When my husband
passed away,

I knew I had no
way of supporting
you.

And
when I heard that
the village was looking
for a woman to be
sacrificed...

What is going on ?

Lee Ho.

30 ... and
I am an officer.

The name's
Ho-ji !

Hot and smoking
27 years old !

I can bond with
spirits.

I am Lee Ho's
older sister,
Eun-Ho.

I drowned 3 years
ago.

Sister, have you
been wandering
around all this
time ?

And how did you
meet that woman ?

Don't address
me as "that woman"
It's Ho-ji !

And what's with
your tone ?

You sound like I am
a weird one or
something.

아니...
정말이지...?

So, you really
are a seonon.

아는 바...
가...
가...

This bitch!

L.I.
I didn't mean
to do that to
you, aa!

(Hahaha)

What is my
sister doing?

I don't know
she's not
here.

Is that
one ripe?

Nope.

Why are you
eating it all
them?

¹¹ In the old times, cookies were very expensive commodity.

How ... about
you, sir?

Did it ... hurt?

Hang on...

Sometimes,
I lose signal.

Sig... what?

She tells me
that it didn't hurt.

It was summer
and the sea was warm...
She says it felt like
getting married to the
God of the Sea.

Her name is ...

What's
today's...

Is that you ?!

Are you the
next sacrifice?!

Why...

How...

How
can you be so
calm and collected
about this?

Because this
is my duty.

Was that...

Was that you,
sis?

Well?

is that important
though?

What...

do I want to
do now ...

I can't understand
those two...

There is no way
I can stop the
ceremony.

What must
I do ...

Must I again ...

Must I again...

When my color was
taken away,

All I did was just
watch ...

Again ...?

Must I again??

정

Don't people talk
about you when
you have your
hair untied?

It doesn't
matter to them.

I wonder why my
sister chose you.

Yes.

Maybe, you two
have something
in common?

What is it?

It's nothing
important
really.

Can we talk about
something else?
Something more
interesting.

After all...

It must be fate
that we meet each
other.

We run away !

The two of us... no three
will escape from this
island !

I will get a boat
somehow !

Even a raft
if there is
nothing else !

We just have
to get out to sea !

Then what?
Someone else will be sacrificed.

And there is no way for us to make
through sea current around the island.

... Yeah.

The three of us
can do this.

Do you regret?

About?

About how you
abandoned
Lee Ho like this.

I simply made
a logical decision

I thought about
what I could do in the
situation and chose the
most logical path

How about
you ?

응...

For me, it's...

**LET GO OF ME!
LET GO!!!**

HE-JI !!!

DAMN
IT !

WHY...!

WHY! WHY!
WHAT DO THESE
PEOPLE MEAN TO
YOU ?!

TO ME !

AND TO
YOU !

THEY DID GOD
DAMN NOTHING

!!

ALL THEY DID WAS
TAKING WHAT WERE
IMPORTANT FROM US!

WHY ARE YOU DYING
FOR THESE PEOPLE !
WHY !

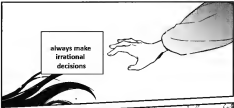

I am not dying
for these people.

idiot...

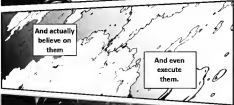

Why

do we

always make
irrational
decisions

And actually
believe on
them

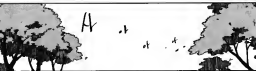

And even
execute
them.

Even when the world out there
is not kind to us, like this sea.

It's probably because.....
there are two of us and -
